

“There is no evidence whatsoever from Ohio or anywhere else to suggest Michael Vu has acted in anything other than an honorable and professional fashion. In fact, media reports indicate the prosecutor made a desperate offer to let the defendants go free in exchange for evidence of wrongdoing by their superiors. Even though the defendants face jail time, the offer was flatly rejected. One defendant indicated she was unwilling to commit perjury to gain her freedom. Mr. Vu has been hired as the Assistant Registrar for his technical election skills and is expected to add value to the County’s efforts to conduct three major elections next year. He will report to the new Registrar of Voters who will assume her post on June 4, 2007.”
